BOOTH PLAN

SPONSOR

BOOTH NR#

Association for Molecular Pathology (AMP)	11
BGI Genomics	10
Bristol Myers Squibb	4
GT Molecular, Inc.	12
Heidelberg Epignostix	9
Merck KGaA	5
Pillar Biosciences	3
Revvity (UK) Ltd	6
SOPHiA GENETICS	13
Thermo Fisher Scientific	2

FIND OUT MORE ABOUT
THE AMP 2026 ANNUAL MEETING & EXPO!

INDUSTRY PROGRAM

MONDAY, JUNE 15, 2026

- 12:30-13:30 Industry Symposium**
AstraZeneca & Pillar Biosciences | Room: Ballroom
From Innovation to Implementation: Redefining Breast Cancer Management with Liquid Biopsy
- 14:00-14:15 Innovation Stage Presentation | Room: Exhibition Area**
Countable Labs
Ultra-sensitive, Multiplexed cfDNA Variant Detection at the Single-molecule Level
- 14:30-15:30 Industry Symposium**
SOPHiA GENETICS | Room: Ballroom
Integrating Tissue and Liquid Biopsy for In-depth Precision Oncology Insights
- 16:45-18:15 Complimentary Networking Get-Together | Room: Exhibition area**

TUESDAY, JUNE 16, 2026

- 10:30-10:45 Innovation Stage Presentation | Room: Exhibition Area**
Hosted by AMP
Developing Consensus for a More Provider-Friendly Next-Generation Sequencing Molecular Biomarker Report: A Joint Consensus Recommendation of the Association for Molecular Pathology (AMP) and College of American Pathologists (CAP)
- 12:30-12:45 Innovation Stage Presentation | Room: Exhibition Area**
bioMcon GmbH
90% Faster FISH Biomarker?
Under Scrutiny: Software Support for Expert-Controlled FISH Biomarker Assessment
- 13:00-14:00 Industry Symposium**
Heidelberg Epignostix | Room: Ballroom
An Integrated Approach to Precision Tumor Classification – Integrating Histology and Molecular Pathology
- 15:30-15:45 Innovation Stage Presentation | Room: Exhibition Area**
Hosted by AMP
AMP Gene Fusions Working Group Draft Recommendations

WEDNESDAY, JUNE 17, 2026

- 09:15-09:30 Innovation Stage Presentation | Room: Exhibition Area**
BGI Genomics
Technical Advances and Clinical Application of BRCA Testing – From PARP Targeted Therapy to Population Preventive Screening
- 09:45-10:45 Industry Symposium**
AstraZeneca & Thermo Fisher Scientific | Room: Ballroom
Liquid Biopsy in NSCLC: Practical Considerations for Universal Adoption
